**Heart Beat**

Dear Sisters and Brothers in Christ;

As we look forward to a new year, let us also look backwards and celebrate. For as we remember God's faithfulness in the past, we gain hope for the future that He will do the same in the days ahead. Take a moment and reflect with me on what He did this past year at Saint Andrews in the missions outside "our four walls", and the ministries within our own church family. Hasn't He been faithful? We can confidently stand on His promises for the new year! You didn't accomplish all that you wanted to last year? Relax; your Heavenly Father doesn't expect you to instantly reach maturity or to make your transition to more fruitfulness with perfect grace and style. Instead He takes great delight in watching you grow. Be encouraged God can always see past your present limits to behold your future promise.

You see, the simple truth, the great mystery is; "Christ in you, the Hope of Glory." (Colossians 1:27) There is a power greater than you realize residing within your "born again spirit." The indwelling Christ can become the shaping power within you. You tap into that power from Heaven by memorizing and living Scripture, worshiping passionately, obeying God's commandments, and sharing God's love with people. Say, "Yes" to Jesus every day and in every way. "For I am convinced that He who began a good work in you will perfect it until the day of Christ Jesus." Philippians 1:6

Intentionally Following Jesus;

### **START THE NEW YEAR WITH A STUDY OF EPHESIANS**

The Pathfinders' Sunday School Class embarks on a study of Ephesians January 1. Ephesians is a letter of encouragement and don't we all need encouragement? In this letter, Paul describes the nature and appearance of the church, and he challenges believers to function as the living body of Christ on earth. Chapters 1-3 expound on Unity in Christ and chapters 4-6 expound on Unity in the Body of Christ. Key verses in Ephesians you may want to locate and read are in Chapter 4:4-6. Pathfinders welcome you along with their teacher, Carolyn Hare, to join us for the study of Ephesians.

### **Dear Friends At Saint Andrews UMC,**

Our entire family would desire to express our heartfelt appreciation for the awesome ways that you supported us during the aftermath of the death of my father. We were overwhelmed with calls, cards, memorials, and other expressions of love. We were very thankful for the numerous prayers that were offered (and continue to be lifted up to the Lord) and we certainly have been grateful for those prayers!

You know how much that my father loved being associated with SAUMC. He truly enjoyed coming and doing what work he could do for God's Kingdom through SAUMC. Each week he looked forward to rolling up the plastic tableware for the Wednesday evening suppers. He so enjoyed the good natured banter that he occasionally had with me during worship on Sunday mornings as he would always try to get in the last word! He was most grateful for the numerous friendships he developed during the three years he was in your midst. He assuredly was grateful to worship with each of you on a regular basis and those worship experiences nurtured his very soul. Thank you so much for loving him in the fashion in which you did. Our family rejoices that dad is now with the Lord and he's been reunited with my mom, Eileen.

We continue to miss each of you but God is richly blessing us through our work here at Hampstead UMC. We continually receive reports of the many positive things that are taking place at SAUMC through Pastor Wayne's excellent leadership.

If your travels take you to the Wilmington area, please stop in and say hello. Thank you again for your love and support, it means more than you will ever know. May God bless each of you throughout 2012!

**With much love and gratitude, Randy Maynard**

### **Saint Andrews UMC,**

Thank you for the box of goodies. It was hard to keep from enjoying everything in one sitting. Even more so I thank you for your prayers. I know our God hears them all. Please remember Jessie and Abbey also. I look forward to worshipping with you again when I get back.

**Take care and God Bless,  
Andy Besser**

### **Church Family,**

Thank you for all of your prayers, cards and gifts to the Building Fund in memory of my husband's nephew, Devon Churchill. Also thank you to the Bible Sunday School Class for their sponsorship to WIHN's Three Tenors Concert.

**Lucy Merical**

### **Dear Friends and Members,**

Jake and I so enjoyed the "Loads of Love" bag filled with goodies. We appreciate all you do for our church family. Lasagna is Jake's favorite Italian food and it was delicious. The cookies were tasty and that is my favorite dessert. Thank you so much.

**Jake & Patsy Bryant**

### **Dear Church Family,**

Thank you for all the cards, calls, prayers and visits during my recent illness. I appreciate them all. We all at Saint Andrews UMC are truly blessed by such a wonderful church family.

**Mary Ann Yates**

### **Dear Church Family,**

Thank you for all the Christmas cards and the Christmas love gift you so generously have given us. Merry Christmas!

**Thank you, Pastor Wayne & April**

The staff would like to thank the congregation for the generous love gift that was bestowed to each staff member at Christmas. It is a distinct pleasure to serve with you. We are grateful for your act of kindness.

**EMPTY BOWL PROJECT-** Thanks to everyone who participated in our Empty Bowl Project to benefit Garner Area Ministries. We were able to collect over 1,600 items of food through the bartering of our awesome ceramic bowls created by our 4th Grade Art Club.

## TEACHER'S CORNER – by Paul Sims

*revelation scripture covenant-maker humankind sin  
grace salvation Jesus atonement confession faith Holy  
Spirit Trinity people of God church sacraments worship  
Christian Life sanctification CHRISTIAN HOPE  
judgment resurrection eternal life*

Christian Hope is based on the character of God, and on God's intentions for Creation. The beginning of Creation God called "good". We may suppose that its end is also good. This is especially true if "end" refers to God's purpose rather than finality. Christian Hope looks to the day when Creation regains the potential it had at the Beginning. Christian Hope has the power to sustain us through the direst of circumstances and to give us the strength to live triumphantly.

The Old Testament prophets had a vision of perfect peace and perfect government and prosperity on this earth; of justice for all people and care for the helpless. Christians believe the church is heir to God's promises to Israel. We look for their fulfillment in our lives.

Jesus has said that he is with us "to the end of the age". This alone gives us a sense of expectancy. We cannot know when the "end" will come, but we can know that each day has value and mystery, and that we can live in holy awe of God. We will better spend our time, I think, if we take the "signs of the times" to be general rather than specific. If we focus on fitting each new world crisis into some sort of divine calendar, we may miss the larger message of the gospel: we are to be ready – to live each day as Christ taught us to live, to be about the Master's business. If we do this, the timing of the "end" – whatever that means – does not matter.

The highest expression of Christian Hope is a serene expectancy regarding those matters the secular world looks upon as endings. Christians believe that because Christ lives, they also shall live. Christian Hope rests in the character of Christ, his death for our sins, his assurance of salvation, and his resurrection from the dead. "Christ has died; Christ is risen; Christ will come again."

Matthew 6:10. Christian Hope.

*We believe in the certainty of Christian Hope. We are secure in our contemplation of the future.*

The Thursday morning Bible Study will begin a new series of studies based on the book The Measure of A Man by Gene Getz. It is a multi-week discussion of the qualities of men that Paul wrote about in two of his letters to Timothy and Titus. We will begin on January 5th and this is a good way to start out the year with the men of SAUMC. Start 2012 with a challenging and refreshing study.

Oh what fun it is to sing and make a joyful noise unto the Lord! Sometimes children have their own idea of how they want to sing a song, even if a different version has already been practiced. That's what happened when our little ones sang one of their songs, "Jingle Bells", for the morning UMW. We adult staff just stopped singing and let them continue. We so enjoy their enthusiasm! The morning UMW enjoyed our practice as well. **Thank you, UMW**, for your monetary donation for supplies!

The next morning, we sang for the parents and extended families and some church members as well. What a treat! The children and their families then went to the Fellowship Hall so the children could give gifts to their parents. They had worked diligently and with much love on these gifts. They also had the opportunity to visit with Santa who reminded them that they could give the gifts of "squeezie hugs and I love you's" to their parents and to remember that "Jesus loves you and so do I". Everyone enjoyed a time of fellowship and refreshments.

The Preschool hopes that you will spend quality time with your children *always* and will have a Blessed New Year!

Mrs. Pat Sheffield, Director

The busiest season for Missions has past and we are ready to move into 2012 with not only our "golden oldies" mission activities, but a few new ones. I want to thank Zach Woody for spearheading the Appalachian Project for this year, and Tracey Green for being the lead for our Cancer Walk. I will be asking for a few co-chairs to help me with some of the activities - so please don't run when you see me heading your way, it is a relatively easy task on any of them because of the support that your church family will give you. I am also pretty excited about the new website that will be launched during January. The website will give me an opportunity to put information on all we do out to the community to discover the opportunities that Saint Andrews offers to new members. It will also allow you to keep up with our mission projects within your time schedule and not wait on emails or "help" calls from me. Have a blessed new year and I am looking forward to working with you in 2012.

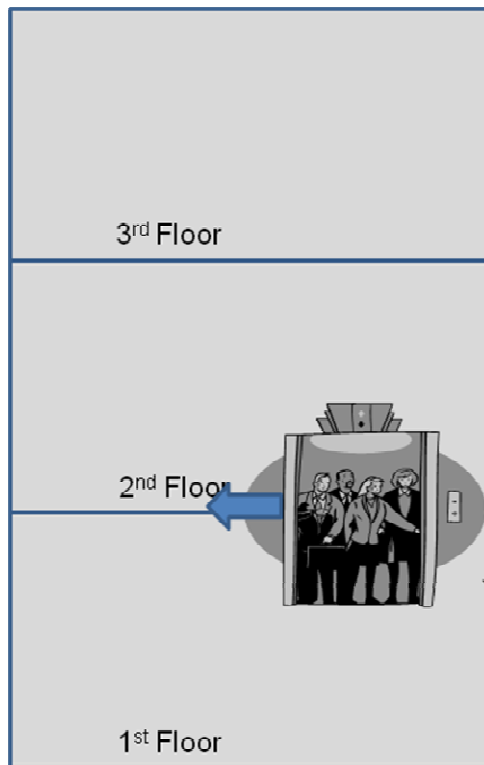

Patrick Perez has begun the design work to tile the drainage ditch. The next meeting of the Building Committee is scheduled for Sunday, January 8, 2012 at 5:30 p.m. and is open to all members of the congregation. Minutes of the Building Committee meetings are on file in the office of Kim Tingler and are available for review by St. Andrews members. As of December 11, 2011, we have received \$406,535 or 39.6% of the \$1,025,310 pledged in May, 2010 for the new building. Thank you for your support, patience, understanding and encouragement in working through the Building Plan Process. Please share your thoughts and concerns about the work of the Building Committee with Vince Revels, Chair of the Building Committee.

## St. Andrews Youth News

Counselor's blahba ...

Happy New Year!

I hope that your year has started off in the best possible way...with thanks and a prayer!

The **thanks** should be for all the blessings that you and your family received last year and a **prayer** for 2012. All too often we take the simple things for granted like being able to tie our shoes, read a book, indoor plumbing and heat! Don't pray for grand things in your life because God already has you included in His Grand plan. Pray for those who are less fortunate than you and don't take the small things for granted.
