

Other Ways to Get Involved

The Linen Closet will be a substantive ministry for JCCC, but we want to grow our partnership and offer many ways for everyone to be involved in the work of the IM-PACT! Group through a number of different levels of involvement.

Here are some other ways you can be involved and keep the IMPACT! Group's work going:

- Purchase gift cards for:
 - * Area Public Transit
 - * Kroger or Publix
 - * Gas stations
 - * Gift cards to auto supply stores (Pep Boys, AutoZone, NAPA, etc.)
- Volunteer your time and talents for clerical work at the IMPACT! Group's offices
- Maintenance and Clean-up work on the IMPACT! Group properties
- Remember to bring your hotel toiletries home with you on business or vacation and placing them in the Linen Closet bin.
- Angel Tree gifts for Christmas
- Financial Contributions

JCCC and Outreach

We are a church where “ALL are sent.” That means that our faith sends us beyond the church walls to make a difference. We say that we are part of a movement for wholeness in a fragmented world, so with a passion for justice we seek to live and love in the way of Jesus.

JCCC partners with the national and regional mission partners of the Christian Church (Disciples of Christ) through our regular contributions to the Disciples Mission Fund and through special offerings like Week of Compassion.

We also participate in special projects for Operation Christmas Child, North Fulton Community Charities, Campbell-Stone Retirement Communities, and Peachtree Hospice.

We intend to be an anchor for a special type of outreach in our community in a long-term way throughout the year. This is why we've chosen to partner with The Impact! Group.

The IMPACT! Group

The **IMPACT! Housing Program** helps working families achieve sustainable, quality housing and remain permanently out of homelessness in North Fulton and Gwinnett Counties.

The program utilizes professional case managers to provide each family with a plan designed exclusively for them. This may include: subsidized housing, intensive case management, and a variety of supportive services such as child care assistance, financial education, and career counseling. To date, *over 90 percent of the families that graduate from the program remain independent of assistance a year later.*

The IMPACT! Group's mission is **“to transform lives and strengthen communities by providing quality housing solutions”** and is increasingly emphasizing the housing needs of U.S. Veterans.

Together, JCCC and the IMPACT! Group can make a difference in the lives of those who experience homelessness in the North Fulton and Gwinnett areas.

The Linen Closet

When families come into the IMPACT! Group Housing Program, they often have nothing with which they can set up a household.

We will provide some of those basics for IMPACT! Group families as they make a fresh start through the JCCC Linen Closet.

New OR gently used items needed to stock The Linen Closet:

- * **Laundry baskets**
- * **Sheets (queen and twin are most commonly needed)**
- * **Towels and washcloths**
- * **Pots and pans**
- * **Bakeware**
- * **Silverware**
- * **Plates/bowls/cups**

When you donate items, bring them to the Outreach collection area and place them in the Linen Closet collection bin in the Sanctuary. An Outreach Team member will take it from there to inventory and store in the Linen Closet area in the Annex until needed by The IMPACT! Group.
